

Flower Burst Granny Square

15th August is the annual Granny Square Day, hosted by Simply Crochet Magazine, celebrating all things granny square.

This pattern is my 2023 contribution to this day.

Materials

I used seven different shades of thin seaweed yarn, that were hand-dyed by Adelle of Vegan Yarn UK. Please visit www.veganyarn.co.uk to see the full range.

- 4ply yarn (or that of your preference)
- 4mm hook (or that of your preference)
- Scissors
- Needle for weaving in ends

Gauge

Gauge is not important for this pattern. Please use whatever yarn and hook size that you would like to, bearing in mind that this will change the size of your resulting granny square.

Stitches

This pattern is written using US crochet terms. If you prefer to use UK terms, please see the UK terms version that is also available.

ch ~ chain
sc ~ single crochet (UK double crochet)
dc ~ double crochet (UK treble crochet)
hdc - half double crochet (UK half treble crochet)
BS ~ bean stitch (description opposite)
yo ~ yarn over
sl st ~ slip stitch
sp ~ space
st ~ stitch
sk ~ skip
2tog - crochet number (indicated before tog) of stitches together using the stitch indicated before the number eg. dc2tog

Bean Stitch (BS)

Yo, insert hook into st, pull up loop, yo, insert into same stitch and pull up loop, yo, insert into same stitch and pull up loop, yo and draw through all loops (you will have 7 loops on your hook to draw through).

Stacked hdc

Ch 1. Make a sc into the st, then sc into the left leg (or right leg if left-handed) of the sc, creating a stacked st.

Standing stitches (dc)

For example, the dc is made by holding the loop on the hook (this is the loop created by the slip knot), wrapping the yarn around the hook, then inserting into the st, yo and pull up a loop, yo and pull through 2 loops. Yo and pull through remaining loops. The last loop will be the slip knot loop you made.

Pattern

All rounds are worked right side up until the last round. We change colour every round.
